Notice of Intent to Issue Special Notice Letter, dated May 15, 2014

Dear Ms. Tennis,

Lockheed Martin Corporation acknowledges receipt of the above-referenced Notice of Intent to Issue Special Notice Letter in connection with the Yosemite Slough Site (the "Site").

Lockheed Martin appreciates the EPA's initiative, through its Notice of Intent, to encourage PRPs to work cooperatively towards allocation of clean-up costs for the Site. Lockheed Martin, in response to the Agency's initial PRP notice, has participated in the PRP group formed with the Beveridge & Diamond law firm. Without admitting any liability on the part of Lockheed Martin Corporation or its subsidiaries with regard to the Site, Lockheed Martin will participate in the upcoming mediation process before Mr. Matthew Low.

Sincerely,

J. Gregory Correnti
